Professional Experience

Mind Dragon Philippines OPC (formerly GoWireless / Victra Philippines)

Malolos City, Bulacan, Philippines | Jan. 30, 2023 - Jul. 3, 2026

Progressed through multiple analytical, technical helpdesk, and frontline customer operations roles within the Verizon program.

- **Contact Center Representative - VRSS/VZE** | Feb. 7, 2026 - Jul. 3, 2026 (VRSS: Feb. 7, 2026 - Apr. 23, 2026 / VZE: Apr. 24, 2026 - Jul. 3, 2026)
 - Coordinated store schedules and checked in customers for appointments based on real-time Verizon retail store availability.
 - Drove customer lifetime value by cross-selling and promoting exclusive Vivint smart home solutions post-interaction.
 - Executed outbound campaign calls and scripted promotional voicemail messaging to drive foot traffic to Victra/Verizon partner retail locations.
 - Mitigated customer friction by resolving product promotion and service escalations, maintaining first-contact resolution targets.
- **Helpdesk Analyst 2 (Reliever)** | Sep. 8, 2025 - Feb. 6, 2026
 - Administered POS operations and delivered technical process support to floor sales staff, resolving system incidents via ServiceNow.

- Managed incident logs and technical support requests from internal retail operations using ServiceNow.
- Identified system bottlenecks and proposed workflow optimizations that improved departmental processing speed.
- **Contact Center Representative** | Apr. 25, 2025 - Sep. 8, 2025
 - Managed front-end appointment tracking and retail support queries, maintaining baseline SLAs for customer store routing.
 - Managed proactive escalations, ensuring store location and promotion accuracy to minimize in-store friction.
- **Revenue Assurance - Associate Operations Analyst** | Jun. 17, 2024 - Apr. 25, 2025
 - Synthesized raw statistical data from system databases to monitor daily sales and month-to-date (MTD) revenue performance.
 - Generated and dispatched business-critical intraday and end-of-day performance summaries (R2B emails) to stakeholders to call out revenue variances and trends.
- **Contact Center Representative** | Jan. 30, 2023 - Jun. 17, 2024
 - Handled core campaign support and early qualification pre-screening metrics for specialty customer offerings (e.g., EARGO).

Freelance Technical Consultant & Developer

Self-Employed | 2003 - Present

- Architected and compiled standalone Android utility applications (Java) to solve specific personal and business workflow gaps.
 - *Siret.apk*: Developed a local voicemail and device-recovery app with code-activated loudspeaker triggers and volume controls to bypass regional telco limitations.
 - *BK Mine.apk*: Built a queueing and ordering application for local food sellers to streamline buyer claim processes.
 - *Tinustang Hangin.apk*: Developed a lightweight personal expense logging application for custom budget tracking.
- Designed, built, and debugged full-stack web projects and custom applications for academic and small-business clients using HTML5, CSS3, JavaScript, PHP, Java, Python, and SQL.
- Delivered independent hardware diagnostics, custom PC builds, and component-level repairs for computers, laptops, tablets, and smartphones.

Automatic Data Processing, Inc. (ADP®)

Ayala Center, Makati City | Nov. 8, 2021 - Dec. 23, 2022

- **Client Support Specialist - CoSo Profile Management (Hybrid)**
 - Managed end-to-end financial reporting and profile management for federal, state, and local tax compliance using SAP ERP.
 - Audited bank runs for FSDD rejections, investigated USMM mystery debits, and processed financial invoice modifications/offsets within SAP.
 - Researched agency notices (IRS, state, local) and managed complex filings, including Power of Attorney, Reporting Agent Authorizations, and jurisdiction-specific forms.

VXI Global Solutions

Quezon City, Philippines | Feb. 20, 2020 - Nov. 29, 2021

- **Account Associate - Comcast Central Xfinity (Remote)**
 - Provisioned and troubleshot Comcast Triple-Play services (Voice, Internet, Cable TV) using ITG, maintaining first-call resolution rates.
 - Enforced security and privacy compliance protocols including CPNI guidelines and fraud/abuse assurance procedures.

Alorica Teleservices Inc. (formerly NCO / EGS)

Quezon City, Philippines | Aug. 2, 2013 - Feb. 15, 2020

- **Customer Service Associate & Quality Analyst**
 - Managed quality evaluation, transaction monitoring, and compliance auditing for multiple Amazon Lines of Business (LOB), including Amazon.co.uk, Amazon.com, Amazon Email, Amazon Voice, and Kindle Tech.
 - Audited service delivery across emails, voice interactions, and customer satisfaction (CSAT) surveys to ensure compliance with strict Amazon SLAs.
 - Delivered structured coaching sessions and actionable feedback to frontline teams of agents, improving site quality scores and customer experience metrics.
 - Recognized as a top-performing agent for the Amazon US Email program prior to moving into the Quality Analyst role.

Stream Global Services Inc. (now Concentrix)

Mandaluyong City, Philippines | Jan. 18, 2012 - Nov. 23, 2012

- **Technical Support Representative (L1)**
 - Handled billing reversals, RF/speed troubleshooting, and home router configurations (Linksys, Netgear, D-Link) utilizing Salesforce CRM.

Delica Database Management

Valenzuela City, Philippines | Apr. 16, 2007 - Dec. 15, 2007

- **Data Analyst**
 - Reviewed and corrected OCR-captured documents for accuracy, then migrated validated text data to XML elements.

Awards & Recognition

- **US Email Rockstar Award** | Alorica (August 2017)
 - Awarded at the Agent Level for outstanding commitment, customer obsession, and achieving a **101.89% Offer Rate** for the Amazon US Email line of business.

Certifications & Technical Training

- **Call Center Training** | Informatics Computer Institute, Valenzuela City (Jan. 2008)
- **Optic Fiber Technology** | Telecommunications Training Institute, Valenzuela City (Aug. 2007)
- **Microcomputer Hardware Servicing** | Telecommunications Training Institute, Valenzuela City (Jun. 2002)
- **Computer Programming** | Salvador Araneta Memorial Institute, Malabon City (Apr. 2001)
