Technical Support, Quality Assurance, and Data Operations professional with 20+ years of corporate BPO experience (Verizon, Comcast, Amazon) and software/hardware consulting. Skilled in ServiceNow, Salesforce, SAP, and full-stack environments, consistently delivering process improvements and compliance auditing in SLA-driven operations.

CORE COMPETENCIES & TECHNICAL SKILLS

- **Technical Skills:** ServiceNow, Salesforce, SAP, Jira, Git, Android Studio, Java, Python, SQL, HTML5, CSS3, JavaScript, PHP
- **Operations & Quality:** Quality Auditing & Analytics, Escalation Handling, Revenue Variance Analysis, Coaching & Mentoring
- **Support & Infrastructure:** Hardware Diagnostics & Repair, Fiber Optic Termination, Retail Support, Cross-functional Collaboration

PROFESSIONAL EXPERIENCE

Mind Dragon Philippines OPC (formerly GoWireless / Victra Philippines) | Malolos City, Bulacan

Contact Center Representative / Helpdesk Analyst 2 (Reliever) / Revenue Assurance Analyst | Jan. 2023 – Jul. 2026

- Managed POS operations, technical process support, and incident resolutions for internal retail operations via ServiceNow. Synthesized raw database data to monitor daily sales and MTD revenue performance, dispatching intraday performance summaries to stakeholders. Handled Verizon retail store scheduling, smart home solution cross-selling, and product escalation mitigation.

Freelance Technical Consultant & Developer | Self-Employed

Technical Consultant & Developer | 2003 – Present

- Architected custom Android utility applications (Java) and full-stack web projects for clients using modern web technologies. Delivered independent hardware diagnostics, custom PC builds, and component-level repairs.

Automatic Data Processing, Inc. (ADP®) | Makati City

Client Support Specialist - CoSo Profile Management | Nov. 2021 – Dec. 2022

- Managed end-to-end financial reporting, tax compliance profile management using SAP ERP, and bank run audits for FSDD rejections. Researched agency notices (IRS, state, local) and processed complex filings and authorizations.

VXI Global Solutions | Quezon City

Account Associate - Comcast Central Xfinity | Feb. 2020 – Nov. 2021

- Provisioned and troubleshoot Comcast Triple-Play services using ITG while enforcing CPNI security and privacy compliance protocols.

Alorica Teleservices Inc. | Quezon City

Customer Service Associate & Quality Analyst | Aug. 2013 – Feb. 15, 2020

- Managed quality evaluation, transaction monitoring, and compliance auditing for multiple Amazon Lines of Business (LOB). Delivered structured coaching sessions to frontline teams, improving site quality scores and customer experience metrics.

EDUCATION & CERTIFICATIONS

- **Awards:** US Email Rockstar Award, Alorica (August 2017) — Achieved 101.89% Offer Rate for Amazon US Email LOB.
- **Certifications:** Call Center Training (Informatics), Optic Fiber Technology & Microcomputer Hardware Servicing (Telecommunications Training Institute), Computer Programming (SAMIC).
